

**Every day is  
Earth Day!**

### Here are 3 Tips to Making Earth Day Everyday!

**Tip 1:** Place a container next to your trash can in the kitchen to separate recyclables from trash immediately.

**Tip 2:** Please do not put your recyclables in a plastic bag, just put them directly into your recycling cart.

**Tip 3:** No need to rinse cans or plastic and glass jars—we are in a drought! Use a spatula to scrape out as much as you can.

## HOLIDAY SCHEDULE

If your trash day falls on a holiday, trash pick-up will be delayed by one day for the rest of the holiday week. Please remember to not block carts on holidays. Waste collection does not occur on the following holidays:
